RDM

RDM
The Modular Reveal

Roundal Modular, specially developed for the plaster façade, can be assembled extremely quickly and easily. It is also 100% waterproof and budget-friendly. Your guarantee for trouble-free installation and watertightness.

The RDM reveal was specially developed as a modular solution for facade finishes in plaster but is also perfect for ventilated facades or facades with stone strips. It can be applied in renovations as well as new constructions. The reveal is delivered in individual parts that are factory-assembled and then installed with and on the windows by the installer on site. All sections of the RDM reveal are made so they can be assembled into one whole in a tight-fitting manner. The sill and the sheet metal finish are standard 2 mm thick. This can be deviated from on request.

The RDM frame consists of:

1 Sill

2 Finisher left, top and right

3 RDM lower frame **(RDM-CT0005) (2 mm) - Optionally equipped with PUR insulation cover**

4 Co-extrusion profile **(RDM-CT0003)**, 6 meter long, to be cut.

5 Fasteners (not supplied)

ROUNDAL®

Optional insulation

Plaster

Finishing Sheet

Connecting profile for plaster

Insulation layer

Interior wall

Window extrusion profiles

Sill

Connecting profile for plaster

Finishing Sheet

Co-extrusion profile

The RDM-variants:

① Application on plastered facade

② Application on ventilated facade

Field of application of the Roundal reveals					
Facade materials	**RDW**	**RDB**	**RDS**	**RDM**	**RDC**
Aluminium	•	•	•	•	•
PVC	•	•	•	•	•
Wood	•	•	•	•	•
Steel	•	•	•	•	•
Types of facades					
Flat window (rectangular and square)	•	•	•	•	•
Flat window (other shapes)	•	•			
Flat window (round shapes)	•
